

Fill in the gaps

I've got enough on my mind	Go on, go on
That when she (1) me by the hand	If you were thinking (6) the worst is yet to come
She hasn't much to hold onto	Why am I the one
She's keeping count on her hands	Always packing all my stuff
One, two, three days that I've been	For once, for once
Sleeping on my side	I get the feeling that I'm right where I belong
I've finished kissing my death	Why am I the one
So now I head back up the steps	Always packing all my stuff
Thinking (2) where I've been	I think I kinda like it but
I mean it's always never like this	I might (7) had too much
So I wanna feel with the seasons	I'll move back down
I guess it makes sense	To this western town
'Cause my life's become as vapid as	When they find me out
A night out in Los Angeles	Make no mistake about it
And I just wanna stay in bed	I'll move back down
I hold you like I used to	To this western town
You (3) that I am home	When they find me out
So darling, if you love me	Make no mistake about it
Would you let me know	I'll move back down (go on, go on, go on)
Or go on, go on	If you were thinking that the worst is yet to come
If you were thinking that the worst is yet to come	Why am I the one
Why am I the one	Always packing all my stuff
Always packing all my stuff	Go on, go on, go on
For once, for once, for once	If you were thinking that the worst is yet to come
I get the feeling that I'm right where I belong	Why am I the one
Why am I the one	Always packing all my stuff
Always packing all my stuff	For once, for once
She got enough on her mind	I get the (8) that I'm right where I belong
That she feels no sorrow	Why am I the one
I let my faith fill the air	Always packing all my stuff
So now she's rolling down the window	I (9) I kinda like it but
Never (4) one to hold on	I might have had too much
But I need a last breath	I'll move back down
So I ask if she remembers when	
She used to come and visit me	
We were fools to think (5) nothing could go wrong
