

## Fill in the gaps

### Explosions by Ellie Goulding

You trembled (1)\_\_\_\_\_ you'd seen a ghost  
And I gave in  
I lack the things you need the most, you said  
Where have you been  
You wasted all that (2)\_\_\_\_\_ to run and hide  
I wonder why  
I remind you of the days you poured your heart into  
But you never tried  
I've fallen from grace, took a blow to my face  
I've loved and I've lost, I've loved and I've lost  
Explosions  
On the day you wake up (3)\_\_\_\_\_ somebody  
And you've learned  
It's okay to be afraid  
But it will never be the same  
It will never be the same  
You left my soul bleeding in the dark  
So you could be king  
The (4)\_\_\_\_\_ you set are (5)\_\_\_\_\_ untold to  
me and I've  
Lost my faith in everything  
The (6)\_\_\_\_\_ you could cope  
Your intentions were gold  
But the mountains will shake  
I need to know I can still make explosions

On the day you wake up needing somebody  
And you've learned  
It's okay to be afraid  
But it will never be the same  
And as the floods move in  
And your body starts to sink  
I was the (7)\_\_\_\_\_ thing on your mind  
I know you better (8)\_\_\_\_\_ you think  
'Cause it's simple, darling  
I gave you a warning  
Now everything you own  
Is falling from the sky in pieces  
So watch them fall with you in slow motion  
I pray that you'll (9)\_\_\_\_\_ peace of mind  
And I'll find you another time  
I'll love you, another time  
Explosions  
On the day you (10)\_\_\_\_\_ up needing somebody  
And you've learned  
It's okay to be afraid  
But it will never be the same

Answer

1. like
2. sweetness
3. needing
4. rules
5. still
6. nights
7. last
8. than
9. find
10. wake
