

Fill in the gaps

These Words by Natasha Bedingfield

These words are my own
Threw some chords together
The combination D-E-F
Is who I am, is what I do
No one's gonna let it down for you
I try to focus my attention
But I feel so A-D-D
I need some help, some inspiration
But it's not coming easily (Uh oh)
Trying to find the magic (Uh oh)
Trying to write a classic (Uh oh)
Don't you know, (1)_____ you know, don't you
know (Uh oh)
Waste bin full of paper (uh oh)
Clever rhymes, see you later
These words are my own
From my heart flown
I love you, I love you, I love you, I love you
There's no (2)_____ way
To better say
I (3)_____ you, I love you
Read some Byron, Shelly and Keats
Resided in over a Hip hop beat
I'm having trouble saying what I mean
With dead poets and drum machines
You know I had some (4)_____ time booked
But I couldn't find a killer hook
Now you're gonna raise the bar right up
Nothing I write is ever good (enough)
These words are my own
From my heart flown
I (5)_____ you, I love you, I love you, I love you
There's no (6)_____ way
To better say
I love you, I love you
These words are my own

From my heart flown
I love you, I love you, I love you, I love you
There's no other way
To better say
I love you, I love you
I'm getting off my stage
The curtains (7)_____ away
No hyper bowl to hide behind
My naked soul exposes
...
(Uh oh) Trying to find the magic (Uh oh)
Trying to write a classic (Uh oh)
Waste bin full of paper (Uh oh)
Clever rhymes, see you later
These words are my own
From my heart flown (don't you know)
I (8)_____ you, I love you, I love you, I love you
There's no other way
To better say
I love you, I love you, I love you
These words are my own
From my heart flown
I love you, I love you, I love you, I love you
There's no other way
To better say
I love you, I love you, I love you
These words are my own
They're from my heart
I love you, I love you
That's all I've got to say
Can't think of a better way
That's all I've got to say
I (9)_____ you is that ok

Answer

1. don't
2. other
3. love
4. studio
5. love
6. other
