

Fill in the gaps

I Drove All Night by Cyndi Lauper

I had to escape
The city was sticky and cruel
Maybe I should have called you first
But I was dying to get to you
I was dreaming while I drove
The long straight road ahead
Could taste your sweet (1)_____ your (2)_____
open wide
This fever for you is just (3)_____ me up inside
I drove all night
To get to you
Is that alright
I drove all night
Crept in your room
Woke you from your sleep
To make love to you
Is that alright
I drove all night
What in this world
Keep us from tearing apart
No matter where I go I hear
The (4)_____ of your heart
I think about you when the night is cold and dark
No one can move me the way that you do
Nothing erases this feeling between me and you

I drove all night
To get to you
Is that alright
I (5)_____ all night
Crept in your room
Woke you from your sleep
To make love to you
Is that alright
I drove all night
I taste your sweet kisses (6)_____ arms open wide
This fever for you is just (7)_____ me up inside
I drove all night
To get to you
Is that alright
I drove all night
Crept in your room
Woke you (8)_____ your sleep
To make love to you
I drove all night
I taste (9)_____ sweet kisses your arms open wide
This fever for you is just burning me up inside
I drove all night

Fill in the gaps

Answer
