Press your (2)_____ to the sculptures
And surely you'll stay (love like winter...)
Fire, sugar, and ice

I met my love, before I was born
He wanted love, I taste the blood
He bit my lip, and drank my warmth
From years before
From years before
She attails the mirror lace
I barely dreamt her, yesterday (yesterday...)
With the (3)_____ in the mirror
Through the lipstick trace...
She said "It seems you're somewhere, far away..."

Fill in the gaps
