

## Fill in the gaps

### Love Like Winter by AFI

Warn you once to turn away  
Here it's December, everyday  
Press your (1)\_\_\_\_\_ to the sculptures  
And (2)\_\_\_\_\_ you'll stay (love (3)\_\_\_\_\_ winter...)  
Fire, sugar, and ice  
I am made, I am made  
It's in the blood, it's in the blood  
I met my love, (4)\_\_\_\_\_ I was born  
He wanted love, I taste the blood  
He bit my lip, and drank my warmth  
From years before  
From (5)\_\_\_\_\_ before  
She attails the (6)\_\_\_\_\_ lace  
I barely dreamt her, yesterday (yesterday...)  
With the (7)\_\_\_\_\_ in the mirror  
Through the lipstick trace...  
She said "It seems you're somewhere, far away..."

To his place"  
It's in the blood, it's in the blood  
I met my love, before I was born  
She wanted love, I taste the blood  
She bit my lip, and drank my warmth  
From years before  
From years before  
Love (8)\_\_\_\_\_ winter (Oh oh...)  
Love (9)\_\_\_\_\_ winter, (10)\_\_\_\_\_  
3...4...  
It's in the blood, it's in the blood  
I met my love, before I was born  
He wanted love, I taste the blood  
He bit my lip, and drank my warmth  
From years before  
From years before

Answer

1. lips
2. surely
3. like
4. before
5. years
