

## Fill in the gaps

Tell me (1) our (2) went	I can (16) the pressure
And if it was time well spent	It's (17) (18) now
Just don't let me (3) asleep	We're better off without you
Feeling empty again	I can feel the pressure
'Cause I (4) I might break	It's getting closer now
And I (5) I can't take it	We're better off without you
Tonight I'll lie awake	Without you
Feeling empty	Some things I'll (19) know
I can (6) the pressure	And I had to let (20) go
It's getting (7) now	Some things I'll never know
We're better off without you	And I had to let them go
I can feel the pressure	I'm (21) all alone
It's (8) closer now	Feeling empty
We're better off without you	I can feel the pressure
Now that I'm (9) hope	It's getting closer now
And there's (10) to show	We're better off (22) you
For all of the days that we spent	Feel the pressure
Carried (12) home	It's getting (23) now
Some (14) I'II (15) know	You're better off (24) me
And I had to let them go	
I'm sitting all alone	
Feeling empty
