

Fill in the gaps

Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These ideas of (1)_____ percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a (2)_____ (3)_____ my
brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not (4)_____ I ought to be
That I'm what I try not to be
It's got to be (5)_____ else's fault
I can't get caught
If what I am is (6)_____ I am, 'cause I does what I does
Then brother, get back
'Cause my breast's (7)_____ bust open
The rib is the shell and heart is the yolk
And I just (8)_____ a (9)_____ for us both to choke
on

Every (10)_____ night's a (11)_____ with
my brain
I just want to feel everything
I just want to feel everything
I (12)_____ want to feel everything
So I'm gonna try to be still now
Gonna (13)_____ the mill a
(14)_____ (15)_____ and
If we had a double king (16)_____ bed
We could move in it and I'd soon forget
If what I am is what I am, 'cause I (17)_____ what I does
And maybe I'd relax, let my breast (18)_____ bust open
My heart's made of parts of all that's around me
And that's why the devil just can't get around me
Every single night's alright
Every single night's a fight
And every single fight's alright (19)_____ my brain
I just (20)_____ to feel everything
I (21)_____ (22)_____ to (23)_____ everything
I just want to feel everything
I just (24)_____ to feel everything
