(Oh eh hey, oh)	There's something in these futures
What we're living in	That we have to be told
Let me tell ya	Futures
It's a wonder that man can eat at all	Made of
When things are big that should be small	Virtual insanity, now
Who can tell	Always
What magic spells	Seem to
We'll be doing for us	Be governed by this love we have for
And I'm giving all my (1) to this world	Useless
Only to be told	Twisting
I can't see	Of our new tecnology
I can't breathe	Oh now there is no sound
No more will we be	For we all live underground (whoa!)
And nothing's going to change the way we live	Now there is no sound
'Cause we can always take but never give	If we all live underground
And now that things are changing for the worse, see	And now it's virtual insanity
(Whoa!)	Forget your virtual reality (oh!)
It's a crazy world we're living in	There's nothing so bad
And I just can't see that half of us immersed in sin	as a man-made man
Is all we (2) to give these	Oh yeah, I know yeah
Futures	Futures
Made of	Made of
Virtual insanity, now	Virtual insanity now
Virtual insanity, now Always	Virtual insanity now Always
