

Fill in the gaps

Major-General's Song by Gilbert And Sullivan

...

I am the very model of a modern Major-General

I've information vegetable, animal, and mineral

I know the kings of England

And I (1)_____ the fights historical

From Marathon to Waterloo, in order categorical

I'm very well acquainted, too, with matters mathematical

I understand equations, both the simple and quadratical

About binomial theorem I'm teeming with a lot o' news

(Hmm, lot of news.... Got it!)

With many cheerful facts

About the square of the hypotenuse

...

I'm very good at integral and differential calculus

I know the scientific names of beings animalculous

In short, in matters vegetable, animal, and mineral

I am the very model of a modern Major-General

...

I know our mythic history

King Arthur's and Sir Caradoc's

I answer hard acrostics, I've a pretty taste for paradox

I quote in elegiacs all the crimes of Heliogabalus

In conics I can floor peculiarities parabolous

I can tell undoubted

Raphaels from Gerard (2)_____ and Zoffanies

I know the croaking chorus

From The Frogs of Aristophanes

Then I can hum a fugue

Of which I've heard the music's din afore

(Ooh, din afore, din afore... Got it!)

And (3)_____ all the airs

From that infernal nonsense Pinafore

...

Then I can write a washing bill in (4)_____

cuneiform

And tell you every detail of Caractacus's uniform

In short, in (5)_____ vegetable, animal, and

mineral

I am the very model of a modern Major-General

...

In fact

When I know what is meant by "mamelon" and "ravelin"

When I can tell at sight a Mauser rifle from a javelin

When such affairs as sorties

And surprises I'm more wary at

And when I know precisely

What is meant by "commissariat"

When I have learnt

What progress has been made in modern gunnery

When I know more of tactics than a novice in a nunnery

In short, when I've a smattering of elemental strategy

(Oh, that's a hard one, strategy... Got it!)

You'll say a better Major-General has never sat a-gee

...

For my military knowledge

Though I'm plucky and adventury

Has only been brought down

To the beginning of the century

But still, in matters vegetable, animal, and mineral

I am the very model of a modern Major-General

...

(One more time?!)

...

In fact

When I (6)_____ what is meant by "mamelon" and

"ravelin"

When I can tell at sight a (7)_____ rifle from a

javelin

When such affairs as sorties

And surprises I'm more wary at

And when I know precisely

What is meant by "commissariat"

When I have learnt

What progress has been made in modern gunnery

When I know more of tactics than a novice in a nunnery

In short, when I've a smattering of (8)_____

strategy

You'll say a better Major-General has never rode a horse!

...

For my military knowledge

Though I'm plucky and adventury

Has only (9)_____ brought down

To the beginning of the century

But still, in (10)_____ vegetable, animal, and

mineral

I am the very model of a modern Major-General!

...

Fill in the gaps

Answer

1. quote
2. Dows
3. whistle
4. Babylonian
5. matters
6. know
7. Mauser
8. elemental
9. been
10. matters
