

Fill in the gaps

My Happy Ending (Live) by Avril Lavigne

So much for my happy ending
(Oh oh...)
Let's talk this over
It's not (1)_____ we're dead
Was it something I did?
Was it (2)_____ you said?
Don't leave me hanging, in a (3)_____ so dead
Held up so high, on such a breakable thread
You were all the (4)_____ I thought I knew
And I thought we (5)_____ be
You were everything, everything
That I wanted
We were (6)_____ to be, supposed to be
But we (7)_____ it (but we lost it)
And all of the memories, so close to me
Fade away
All this time you (8)_____ pretending
So (9)_____ for my happy ending
(Oh oh...)
You've got your dumb friends
I know (10)_____ (11)_____ say
They (12)_____ you I'm difficult
But so are they
But they don't know me
Do they even know you?
All the things you hide from me
All the shit (13)_____ you do
You were all the things I thought I knew
And I thought we (14)_____ be
You were everything, everything that I wanted

We were meant to be, supposed to be
But we lost it
And all of the memories, so close to me
Fade away
All this time you were pretending
So much for my (15)_____ ending
It's nice to know (16)_____ you were there
Thanks for acting like you cared
And making me feel (17)_____ I was the only one
It's nice to know we had it all
Thanks for watching as I fall
Letting me know we were done
He was (everything that I wanted)
We (18)_____ meant to be, supposed to be
But we lost it
And all of the memories, so close to me
Fade away
All this time you were pretending
So (19)_____ for my happy (ending)...
You were everything, everything (20)_____ I wanted
And we were meant to be, supposed to be
But we (21)_____ it
All of the memories, so (22)_____ to me
Just (23)_____ away
And all (24)_____ time you (25)_____ pretending
So much for my happy ending
(Oh oh...)

Answer

1. like
2. something
3. city
4. things
5. could
6. meant
7. lost
8. were
9. much
10. what
11. they
