Got all kinds of poison in  Poison in my blood  I (2) my feet  To Oxford Street  Trying to (3) a wrong  Just walk away  Those windows say  But I can't believe she's gone  When you're still waiting for the snow to fall  Doesn't really (4) like Christmas at all  Up above candles on air flicker  (Oh) they flicker and they float  But I'm up here holding on  To all those chandeliers of hope  Like (5) drunken (6) singing  I go singing out of tune  Saying how I always loved you darling	Christmas night, another fight

Still waiting for the (8) to fall	
t doesn't really feel like Christmas at all	
Those Christmas lights	
Light up the street	
Down where the sea and city meet	
May all your troubles soon be gone

Light up the street	
Maybe they'll bring her back to me	
Then all my troubles will be gone	
(Oh) Christmas lights keep (9)	on
(Oh) Christmas lights	
Light up the street	
Light up the fireworks in me	
May all your troubles soon be gone	
Those Christmas lights keep shining on
