Our December by Thriving Ivory

I could see (1)_____ cover hills
You were walking, I was standing still
I could feel the cold on my face
And we were talking like always
I could touch snow covered leaves
You were walking closer to me
I would play you a (2)_____ out loud
Yeah, we could sing it 'till the year runs out
I remember streets (3)_____ white
And I (4)_____ a long tonight
Said our December will be littered with light
And I see you walking to me
We were holding future in hand
A place to fly and a (5)_____ to land
Now our December (6)_____ be sure to last
I said there'll be no rush for the year to pass
I remember streets covered white
And I remember a long tonight

Said our December (7)_____ be littered with light
And I see you walking to me
I could see (8)_____ covered hills
And all at once my heart is still
I see you (9)_____ to me
(Yeah) I see you (10)_____ to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I see you walking to me
