Our December by Thriving Ivory

I could see (1)_____ cover hills
You were walking, I was standing still
I could feel the (2)_____ on my face
And we were talking like always
I could touch snow covered leaves
You were walking closer to me
I would play you a song out loud
Yeah, we could sing it 'till the (3)_____ runs out
I remember streets covered white
And I (4)_____ a long tonight
Said our (5)_____ will be littered with light
And I see you walking to me
We were holding (6)_____ in hand
A place to fly and a place to land
Now our December will be (7)_____ to last
I said there'll be no rush for the year to pass
I remember streets covered white
And I remember a long tonight

Said our December will be littered with light
And I see you walking to me
I could see snow covered hills
And all at once my (8)_____ is still
I see you (9)_____ to me
(Yeah) I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be (10)_____ with light
And I see you walking to me
