Baby Mine by Allison Krauss

Fill in the gaps

Baby mine, don't you cry
Baby mine, dry (1) eyes
Rest your head close to my heart
Never to part, baby of mine
Little one, when you play
Don't you mind what (2) say
Let those eyes sparkle and shine
Never a tear, baby of mine
If they knew sweet little you
They'd end up loving you too
All those same people who scold you
What they'd give
What they'd give Just for the (3) to (4) you
Just for the (3) to (4) you
Just for the (3) to (4) you From (5) (6) down to your toes
Just for the (3) to (4) you From (5) (6) down to your toes You're not much, goodness knows
Just for the (3) to (4) you From (5) (6) down to your toes You're not much, goodness knows But you're so precious to me
Just for the (3) to (4) you From (5) (6) down to your toes You're not much, goodness knows But you're so precious to me Sweet as can be, baby of mine
Just for the (3) to (4) you From (5) (6) down to your toes You're not much, goodness knows But you're so precious to me Sweet as can be, baby of mine All of those people who scold you
Just for the (3) to (4) you From (5) (6) down to your toes You're not much, goodness knows But you're so precious to me Sweet as can be, baby of mine All of those people who scold you What they'd give
Just for the (3) to (4) you From (5) (6) down to your toes You're not much, goodness knows But you're so precious to me Sweet as can be, baby of mine All of those people who scold you What they'd give Just for the right to (7) you
Just for the (3) to (4) you From (5) (6) down to your toes You're not much, goodness knows But you're so precious to me Sweet as can be, baby of mine All of those people who scold you What they'd give Just for the right to (7) you From your head down to your toes
Just for the (3) to (4) you From (5) (6) down to your toes You're not much, goodness knows But you're so precious to me Sweet as can be, baby of mine All of those people who scold you What they'd give Just for the right to (7) you From your head down to your toes You're not much, goodness knows
