(Oh, oh, oh...)

I was thinkin about her, thinkin about me

Thinkin about us, what we gonna be?

Open my eyes, it was only just a dream...

So I travel back, down that road

Will she come back? No one knows

I realize, it was only just a dream...

I was at the top and I was like I'm at the basement

Number one spot and now she found her a replacement

I swear now I can't take it

Knowing somebody's got my baby

And now you ain't around, baby I can't think

Shoulda put it down, shoulda got that ring

Cuz I can still feel it in the air

See her pretty (1)_____ run my fingers through her hair

My lover, my life

My shawty, my wife

She (2)_____ me, I'm tied

Cuz I (3)_____ that it just ain't right

I was thinkin about her, thinkin about me

I realize, it was only just a dream...

When I be ridin man I swear I see her face at every turn

Tryin to get my usher over, I can let it burn

And I just hope she notice she the (4)_____ one I yearn for

Oh I miss her when will I learn?

Didn't give her all my love, I guess now I got my payback

Now I'm in the club thinkin all about my baby

Hey, she was so easy to love

But wait, I guess that love wasn't enough

I'm (5)_____ through it every time that I'm alone

And now I'm missin, wishin she'd pick up the phone

But she made a decision that she wanted to move one

Cuz I was wrong

I was thinkin about her, thinkin about me

Thinkin about us, what we gonna be?

Open my eyes, it was (6)_____ just a dream...

So I (7)_____ back, down that road

Will she come back? No one knows

I realize, it was only just a dream...

If you ever loved somebody put your hands up

If you ever loved somebody put your hands up

And now they're gone and you wish

You could give them everything

I said, if you ever loved somebody put your hands up

If you ever loved somebody put your hands up

And now they're gone and you wish

You could give them everything...

I was thinkin about her, thinkin about me

Thinkin about us, what we gonna be?

Open my eyes, it was (8)_____ just a dream...

So I travel back, down that road
