

## Fill in the gaps

### American Rejects by The All

<em>-So... (1)\_\_\_\_\_ me about your mother- (en algunas versiones)

</em>Doctor, doctor, could you please just give me something

For the state I'm in?

I'm having trouble and society believe

I got it wrong again

I'm one month (2)\_\_\_\_\_

I don't think I'm (3)\_\_\_\_\_ over my predicament

But if I jumped out of the window what would she say?

It's not on me, it's all on you

We can't (4)\_\_\_\_\_ the things we do

I can't believe her pretty feet

Walked over me, all (5)\_\_\_\_\_ me

Help me, help me doctor

It seems to be an (6)\_\_\_\_\_ lot for me to understand

I know I'm not a specimen

The troubles and the (7)\_\_\_\_\_ I'm in

I should be dead

He said, let's all think

Then you've had all your fun

It's time to be a man

So you better quit (8)\_\_\_\_\_ bitc\*ing

Think (9)\_\_\_\_\_ (10)\_\_\_\_\_ the people

(11)\_\_\_\_\_ say

It's not on me, it's all on you

I can't prescribe what you want me to

You need (12)\_\_\_\_\_ sleep, you better leave

He walked over me, all over me

Wait until tomorrow, and it's gone

So long

Wait until tomorrow, so long

And it's gone

Wait (13)\_\_\_\_\_ tomorrow

You beg and (14)\_\_\_\_\_ and borrow (15)\_\_\_\_\_

it's gone

-He don't got a lot but he's got all he needs-

I need (16)\_\_\_\_\_ to love

-And all he's got well it's all that he needs-

Somebody help me (17)\_\_\_\_\_

I could hear the voices in the tube

To get me through anything

I do and anything will do good by me

A little pill, a little thrill

Should I (18)\_\_\_\_\_ it? I (19)\_\_\_\_\_ I will

And anything will do good so

As long as it's always too good

(20)\_\_\_\_\_ way I don't (21)\_\_\_\_\_ a d\*mn

What you people all say

All now boy

It's not on me, it's all on you

I can't (22)\_\_\_\_\_ the things I do

I can't believe her pretty feet

Walked over me, all (23)\_\_\_\_\_ me

It's not on me, it's all on you

There comes a time to speak the truth

So you can see me when I leave

Walk over you, all over you yeah
