People help the people by Birdy

God (1)_____ what is (2)_____

In those weak and (3)_____ hearts

I guess you kissed the girls and made (4)_____ cry

Those hard-faced queens of misadventure

God (5)_____ what is hiding

In those weak and sunken eyes

A fiery throng of muted angels

Giving love but getting nothing back, oh

People help the people

And if you're homesick

Give me your hand and I'll hold it

People help the people

And nothing will drag you down

Oh and if I had a brain, oh and if I had a brain

I'd be cold as a stone and (6)_____ as the fool

That turned all those good hearts away

God knows (7)_____ is hiding

In this world of little consequence

Behind the tears, inside the lies

A thousand slowly dying sunsets

God knows what is hiding

In those (8)_____ and drunken hearts

Guess the loneliness came knocking

No one needs to be alone, no singing...

People help the people

And if you're homesick

Give me your hand and I'll hold it

(9)_____ help the people

Nothing will drag you down

Oh and if I had a brain, oh and if I had a brain

I'd be cold as a stone and rich as the fool

That turned all (10)_____ good hearts away

People help the people

And if you're homesick

Give me your hand and I'll hold it

People help the people

Nothing will drag you down

Oh and if I had a brain, oh and if I had a brain

I'd be cold as a stone and rich as the fool

That turned all those good hearts away
