## Fill in the gaps

One pill makes you larger
And one pill makes you small
And the ones that (1) gives you
Don't do anything at all
Go ask Alice
When she's ten feet tall
And if you go chasing rabbits
And you know you're going to fall
Tell 'em a (2) smoking caterpillar
Has (3) you the call
Call Alice
When she was just small
One men on the chessboard
Get up and tell you (4) to go
Get up and tell you (4) to go  And you've (5) had some kind of mushroom
And you've (5) had some kind of mushroom
And you've (5) had some kind of mushroom  And (6) mind is moving rough
And you've (5) had some kind of mushroom  And (6) mind is moving rough  Go ask Alice
And you've (5) had some kind of mushroom  And (6) mind is moving rough  Go ask Alice  I think she'll know
And you've (5) had some kind of mushroom  And (6) mind is moving rough  Go ask Alice  I think she'll know  When logic and proportion
And you've (5) had some kind of mushroom  And (6) mind is moving rough  Go ask Alice  I think she'll know  When logic and proportion  Have fallen sloppy dead
And you've (5) had some kind of mushroom  And (6) mind is moving rough  Go ask Alice  I think she'll know  When logic and proportion  Have fallen sloppy dead  And the (7) knight
And you've (5) had some kind of mushroom  And (6) mind is moving rough  Go ask Alice  I think she'll know  When logic and proportion  Have fallen sloppy dead  And the (7) knight  is talking backwards
And you've (5) had some kind of mushroom  And (6) mind is moving rough  Go ask Alice  I think she'll know  When logic and proportion  Have fallen sloppy dead  And the (7) knight  is talking backwards  And the Red Queen's
