

Fill in the gaps

Every (1) is clear (18) shine (2) to nowhere Oh so brighter that still But I feel, I feel so alive for the first time Higher (19) let your light shine Put your hand to mine and let's blaze across the sky See it all the other stars You'll see there are no way (3) another lips For the (20) time, first (21) let your Because it feels, this (4) like us for the (22) shine (5) time And no longer feel the night For the first time, (6) time, let your light shine Brighter, brighter let your light shine Oh so brighter that (7) Tonight, tonight we watch the world (23) to life, to (8) higher let your light shine Iife See it all the other stars Alive, alive watch the world come to life For the first time, first time let your light shine It will be alright And no longer feel the night For the first time, first time let your light shine Brighter, (9)
But I feel, I feel so alive for the first time Higher (19) let your light shine Put your hand to mine and let's blaze across the sky See it all the other stars You'll see there are no way (3) another lips For the (20) time, first (21) let your Because it feels, this (4) like us for the (22) shine (5) time And no longer feel the night For the first time, (6) time, let your light shine Brighter, brighter let your light shine Oh so brighter that (7) Tonight, tonight we watch the world (23) to life, to (8) higher let your light shine life See it all the other stars Alive, alive watch the world come to life For the first time, first time let your light shine It will be alright And no longer feel the night For the first time, first time let your light shine It will be alright For the first time, first time let your light shine It will be alright For the first time, first time let your light shine It will be alright For the first time let your light shine It will be alright For the first time let your light shine It will be alright For the first time let your light shine It will be alright For the first time let your light shine <
Put your hand to mine and let's blaze across the skySee it all the other starsYou'll see there are no way (3) another lipsFor the (20) time, first (21) let yourBecause it feels, this (4) like us for the(22) shine(5) timeAnd no longer feel the nightFor the first time, (6) time, let your light shineBrighter, brighter let your light shineOh so brighter that (7)Tonight, tonight we watch the world (23) to life, to(8) higher let your light shinelifeSee it all the other starsAlive, alive watch the world come to lifeFor the first time, first time let your light shineIt will be alrightAnd no longer feel the nightFor the first time, first time let your light shineBrighter, (9) let (10)Oh so brighter that still(11) shineHigher let your light shine
You'll see there are no way (3) another lips For the (20) time, first (21) let your Because it feels, this (4) like us for the (22) shine (5) time And no longer feel the night For the first time, (6) time, let your light shine Brighter, brighter let your light shine Oh so brighter that (7) Tonight, tonight we watch the world (23) to life, to (8) higher let your light shine life See it all the other stars Alive, alive watch the world come to life For the first time, first time let your light shine It will be alright And no longer feel the night For the first time let your light shine It will be alright For the first time let your light shine It will be alright For the first time let your light shine It will be alright For the first time let your light shine It will be alright For the first time let your light shine It will be alright For the first time let your light shine It will be alright Oh so brighter that still It (11) shine Higher higher let your light shine
Because it feels, this (4) like us for the (22) shine (5) time And no longer feel the night For the first time, (6) time, let your light shine Brighter, brighter let your light shine Oh so brighter that (7) Tonight, tonight we watch the world (23) to life, to (8) higher let your light shine life See it all the other stars Alive, alive watch the world come to life For the first time, first time let your light shine It will be alright And no longer feel the night For the first time, first time let your light shine Brighter, (9) let (10) Oh so brighter that still (11) shine Higher higher let your light shine
(5) timeAnd no longer feel the nightFor the first time, (6) time, let your light shineBrighter, brighter let your light shineOh so brighter that (7)Tonight, tonight we watch the world (23) to life, to(8) higher let your light shinelifeSee it all the other starsAlive, alive watch the world come to lifeFor the first time, first time let your light shineIt will be alrightAnd no longer feel the nightFor the first time, first time let your light shineBrighter, (9) let (10)Oh so brighter that still(11) shineHigher higher let your light shine
For the first time, (6) time, let your light shine Brighter, brighter let your light shine Oh so brighter that (7) Tonight, tonight we watch the world (23) to life, to (8) higher let your light shine life See it all the other stars Alive, alive watch the world come to life For the first time, first time let your light shine It will be alright And no longer feel the night For the first time, first time let your light shine Brighter, (9) let (10) (11) shine Higher higher let your light shine
Oh so brighter that (7)Tonight, tonight we watch the world (23) to life, to(8)higher let your light shinelifeSee it all the other starsAlive, alive watch the world come to lifeFor the first time, first time let your light shineIt will be alrightAnd no longer feel the nightFor the first time, first time let your light shineBrighter, (9)let (10)(11) shineHigher higher let your light shine
(8) higher let your light shinelifeSee it all the other starsAlive, alive watch the world come to lifeFor the first time, first time let your light shineIt will be alrightAnd no longer feel the nightFor the first time, first time let your light shineBrighter, (9) let (10)Oh so brighter that still(11) shineHigher higher let your light shine
See it all the other starsAlive, alive watch the world come to lifeFor the first time, first time let your light shineIt will be alrightAnd no longer feel the nightFor the first time, first time let your light shineBrighter, (9) let (10)Oh so brighter that still(11) shineHigher higher let your light shine
For the first time, first time let your light shineIt will be alrightAnd no longer feel the nightFor the first time, first time let your light shineBrighter, (9) let (10)Oh so brighter that still(11) shineHigher higher let your light shine
And no longer feel the night For the first time, first time let your light shine Brighter, (9) let (10) Oh so brighter that still (11) shine Higher higher let your light shine
Brighter, (9) let (10) Oh so brighter that still (11) shine Higher higher let your light shine
(11) shine Higher higher let your light shine
For the first time See it all the other stars
No more (12) to break For the first time, first (24) let (25) light
It's (13) to waste shine
Everything we need And no longer feel the night
All that silver screen Brighter, brighter let your light shine
And it feels, feels like (15) mind for the For the first time, for the first time
