

Fill in the gaps

Think of you by MS MR

You got high off my devotion
We caught as you crutch
Black, (1)_____ sick of potion
I was addicted to your touch
Carried your weight the misplaced way
Had the burden of hate
The decadence of decay
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still (2)_____ of you
And all the sh*t you put me through
And I know now, I know you were wrong
You made pain your lover
Infidelity not discrete
I knew you found another
How could I compete?
Abusive (3)_____ cover me like dust
I waited to know for sure
You only give up as last
I still think of you
And all the sh*t you put me through

And I know you were wrong
I still think of you
And all the sh*t you put me through
And I (4)_____ now, I know you were wrong
Dark clouds follow you around
Your own (5)_____ enemy
You only picked me up to bring me down, down, down...
I still think of you
And all the sh*t you put me through
And I know you (6)_____ wrong
I (7)_____ think of you
And all the sh*t you put me through
And I know now, I know you were wrong
I still think of you
