Everything has changed by Taylor Swift

All I knew this morning when I woke is
I know something now, know something now I didn't before
And all I've seen (1)_____ 18 hours ago is
Green (2)_____ and freckles and your smile
In the back of my mind making me (3)_____ like
I just (4)_____ to know you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I just want to (5)_____ you better, know you better
Know you better now
I (6)_____ want to know you, know you, know you
Because all I know is we said hello
And your eyes look like coming home
All I know is a simple name and everything has changed
All I know is you held the door
You'll be mine and I'll be yours
All I know (7)_____ yesterday is everything has
changed
And all my walls
Stood (8)_____ painted blue
But I'll take them down, take (9)_____ down
And open up the door for you
And all I feel in my stomach is butterflies
The beautiful kind making up for lost time
Taking flight, making me feel like
I just want to know you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I just want to (10)_____ you better, (11)_____ you
better

Know you better now
I just want to (12)_____ you, know you, know you
Because all I know is we said hello
And (13)_____ eyes look (14)_____ coming home
All I know is a simple (15)_____ and everything has
changed
All I know is you held the door
You'll be (16)_____ and I'll be yours
All I know since yesterday is everything has changed
Come back and tell me why I'm feeling (17)_____
I've missed you all (18)_____ time
And meet me there tonight
And let me know that it's not all in my mind
I just want to know you better, (19)_____ you better
Know you better now
I just want to know you, (20)_____ you, know you
(21)_____ all I know is we said hello
And your eyes look like coming home
All I (22)_____ is a simple name and everything has
