

**Fill in the gaps**

Summer by Calvin Harris

When I met you in the summer

To my heartbeat sound

We fell in love

As the (1)\_\_\_\_\_ (2)\_\_\_\_\_ brown

And we could be (3)\_\_\_\_\_ baby

As (4)\_\_\_\_\_ as skies are blue

You act so innocent now

But you lied so soon

When I met you in the summer

When I met you in the summer

To my heartbeat sound

We fell in love

As the (5)\_\_\_\_\_ turned brown

And we (6)\_\_\_\_\_ be (7)\_\_\_\_\_ baby

As (8)\_\_\_\_\_ as skies are blue

You act so innocent now

But you lied so soon

When I met you in the summer, in the summer

When I met you in the summer, in the summer

Fill in the gaps
