Cannonball by Lea Michele

But I won't hide inside

Fill in the gaps

Break it down	I gotta get out, gotta get out
Break it down	Gotta get out, gotta get out
Break it down	Lonely (4) and (5) the fuse
I was scared to death I was losing my mind	Light it now, light it now, light it now
Break it down	And now I will start living today
I couldn't close my (1) I was pacing all night	Today, today I (6) the door
I think I found the light out the end of the tunnel	I got this new beginning and I will fly
I (2) find the truth I was going under	I'll fly like a cannonball
	Like a cannonball
But I won't hide inside	Like a cannonball
I gotta get out, gotta get out	I'll fly, I'll fly, I'll fly like a cannonball
Gotta get out, gotta get out	Break it down
Lonely inside and light the fuse	I was scared to death I was losing my mind
Light it now, light it now	Break it down
And now I will start living today	I gotta get out into the world again
Today, today I close the door	And now I (7) start living today
I got this new beginning and I will fly	Today, today I close the door
I'll fly like a cannonball	I got this new beginning and I will fly
Like a cannonball	I'll fly like a cannonball
Like a cannonball	Like a cannonball
I'll fly, I'll fly, I'll fly like a cannonball	Like a cannonball
Freedom	l'll fly, l'll fly, l'll fly like a cannonball
I let go of fear and the peace came quickly	Like a cannonball
Freedom	Like a (8)
I was in the (3) and then it hit me	l'll fly, l'll fly, l'll fly like a cannonball
I chose suffering and pain in the falling rain	
I know, I gotta get out into the world again
