

I gonna take my car and drive out of this two story town

Fill in the gaps

I couldn't sleep	It's the same old ship going down
Took a (1) down Second Avenue	I'm going down, down, down, down
Sick of dreaming dreams (2) (3)	It's a two story town
come true	One shot to make a move now
One way street and I know where its leading to	The ghosts are calling me out
There's a ;For Sale; sign on the (4) door of the	Guitar solo
city hall	And me I'm just one story
The subway line got graffiti crawling off the wall	In a two story town
I could take a hit but I don't want to take the fall	But you're never going to find me in the lost and found
That's just one side of the story	Chorus:
In this two story town	It's just the same old sights
Chorus:	And the (8) old sounds
It's just the same old sights	I gonna take my car and drive out of this two story town
And the same old sounds	It's the same old ship going down
I (5) take my car and drive out of this story down	I'm (9) down, down, down, down
