

Fill in the gaps

Step one you say we need to talk	Where did I go wrong, I (12) a friend
He walks you say sit (1) it's just a talk	Somewhere along in the bitterness
He smiles politely back at you	And I would have stayed up (13) you all night
You stare politely right on through	Had I (14) how to save a life
Some sort of window to your right	As he begins to raise his voice
As he goes left and you stay right	You (15) (16) and grant him one
Between the lines of fear and blame	(17) choice
And you (2) to wonder why you came	Drive until you (18) the road
Where did I go wrong, I lost a friend	Or (19) with the ones you've followed
Somewhere (3) in the bitterness	He (20) do one of two things
And I (4) have (5) up with you	He (21) admit to everything
all night	Or he'll say he's (22) not the same
Had I known how to save a life	And you'll (23) to wonder why you came
Let him know (6) you know best	Where did I go wrong, I (24) a friend
Cause (7) all you do know best	Somewhere along in the bitterness
Try to slip past his defense	And I would have stayed up with you all night
Without granting innocence	Had I (25) how to (26) a life
Lay (8) a list of what is wrong	How to save a life
The (9) you've told him all along	How to (27) a (28)
And (10) to God he hears you	
And (11) to God he hears you
