

Fill in the gaps

He walks you say sit down it's just a talk
He smiles politely back at you
You (1) politely right on through
Some sort of window to your right
As he goes left and you stay right
Between the lines of fear and blame
And you begin to wonder why you came
Where did I go wrong, I lost a friend
Somewhere (2) in the bitterness
And I would have stayed up (3) you all night
And I would have stayed up (3) you all night Had I known how to save a life
Had I known how to save a life
Had I known how to save a life Let him know that you know best
Had I known how to save a life Let him know that you know best Cause after all you do know best
Had I known how to save a life Let him know that you know best Cause after all you do know best Try to slip past his defense
Had I known how to save a life Let him know that you know best Cause after all you do know best Try to slip past his defense Without granting innocence
Had I known how to save a life Let him know that you know best Cause after all you do know best Try to slip past his defense Without granting innocence Lay down a list of (4) is wrong

Where did I go wrong, I lost a friend
Somewhere (5) in the bitterness
And I would have stayed up with you all night
Had I known how to save a life
As he (6) to raise his voice
You lower yours and grant him one last choice
Drive until you lose the road
Or break with the ones you've followed
He will do one of two things
He (7) admit to everything
Or he'll say he's just not the same
And you'll begin to wonder why you came
Where did I go wrong, I lost a friend
Somewhere (8) in the bitterness
And I would have stayed up (9) you all night
Had I known how to save a life
How to save a life
