

Fill in the gaps

Midnight,	Laying out (16) lie,
and I'm a-waiting	thinking 'bout a life of crime
on the twelve-oh-five	That's (17) I'll have to do
Hoping it'll take me	to keep me (18) from you
just a (1) farther (2) the line	Lovers, I (19) you've had a few
Moonlight,	But hide your (20) (21) the
you're (3) a heartache in disguise;	covers
Won't you keep my (4) from breaking	and tell 'em they're the only one
if it's only for a (5) time	And others, (22) just
Playing with the (7) of hearts,	what I'm going through
knowing it ain't really smart	And it's a-hard to be a lover
The joker ain't the only fool	when you say you're only in it for fun
who'll do anything for you	Playing with the queen of hearts,
Laying out (8) lie,	knowing it ain't really smart
thinking 'bout a life of crime	The joker ain't the only fool
That's (9) I'll have to do	who'll do anything for you
to keep me away from you	Playing with the queen of hearts,
Honey, you (10) it (11) you mad	knowing it ain't really smart
Why is everybody telling everybody	The (24) ain't the only fool
what you have done	who'll do anything for you
Baby, I (12) it (13) you sad	Laying out another lie,
But when they're handing out the heartaches	thinking 'bout a life of crime
you know you got to (14) you some	That's what I'll have to do
Playing with the queen of hearts,	to keep me away (25) you
knowing it ain't really smart	Playing with the (26) of hearts
The joker ain't the (15) fool	(repeat and fade)
who'll do anything for you
