Californication by Red Hot Chili Peppers

Psychic spies (1) China	Singing (14) off station to station
Try to steal your mind's elation	And Alderaan's not far away
Little girls from Sweden	It's Californication
Dream of silver screen quotations	Born and raised by those who praise
And if you (2) these (3) of dreams	Control of (15) everybody's been
It's Californication	(16) and
It's the (4) of the world	I don't mean on vacation
And all of western civilization	First (17) unicorn
The sun may rise in the East	Hard (18) soft porn
At least it settles in the (5) location	Dream of Californication
It's (6) that Hollywood	Dream of Californication
Sells Californication	Dream of Californication
Pay your surgeon very well	Dream of Californication
To break the (7) of aging	Destruction leads to a (19) rough road
Celebrity skin is (8) your chin	But it (20) breeds creation
Or is that war (9) waging	And earthquakes are to a girl's guitar
First born unicorn	They're (21) another good vibration
Hard core (10) porn	And tidal waves couldn't save the world
Dream of Californication	From Californication
Dream of Californication	Pay (22) surgeon (23) well
Dream of Californication	To break the spell of aging
Dream of Californication	Sicker than the rest
Marry me girl be my fairy to the world	There is no test
Be my very own constellation	But this is (24) you're craving
A teenage (11) (12) a baby inside	First born unicorn
Getting (13) on information	Hard (25) soft porn
And buy me a star on the boulevard	Dream of Californication
It's Californication	Dream of Californication
Space may be the final frontier	Dream of Californication
But it's made in a Hollywood basement	Dream of Californication
And Cobain can you hear the spheres
