Forgive Me by Evanescence

Fill in the gaps

Can you forgive me again
I don't know what I said
But I didn't mean to (1) you
I heard the words come out
I felt that I would die
It (2) so much to hurt you
Then you look at me
You're not (3) anymore
You're (4) broken
I'd give anything now
To hear those words from you
Each time I say something I regret
I cry, I don't want to lose you
But somehow I know (5) you will (6) (7) me
But somehow I know (5) you will (6) (7) me Cause you were made for me
Cause you were made for me
Cause you were made for me Somehow I'll make you see
Cause you were made for me Somehow I'll make you see How happy you make me
Cause you were made for me Somehow I'll make you see How happy you make me I can't live this life
Cause you were made for me Somehow I'll make you see How happy you make me I can't live this life Without you by my side
Cause you were made for me Somehow I'll make you see How happy you make me I can't live this life Without you by my side I need you to survive
Cause you were made for me Somehow I'll make you see How happy you make me I can't live this life Without you by my side I need you to survive So stay with me
Cause you were made for me Somehow I'll make you see How happy you make me I can't live this life Without you by my side I need you to survive So stay with me You look in my eyes and I'm screaming inside

And I never meant to hurt you

- 1. hurt 2. hurt
- 3. shouting

- 5. that
- 6. never
