## Love Street by The Doors

## Fill in the gaps

She lives on love street
Lingers long on (1) street
She has a house and garden
I (2) like to see what happens
She has robes and she has monkeys
Lazy diamond studded flunkies
She has wisdom and knows what to do
She has me and she has you
She has (3) and knows what to do
She has me and she has you
I see you (4) on (5) street
There's this store where the creatures meet
I wonder what (6) do in there
Summer sunday and a year
I guess i like it fine, so far
She lives on love street
Lingers long on (7) street
She has a house and garden
I would like to see what (8)
