Lying here (1) you so close to me			
It's hard to fight these feelings			
when it feels so (2) to breathe			
Caught up in this moment			
Caught up in your smile			
I never open up to anyone			
So hard to hold back			
when I'm holding you in my arms			
We don't need to rush this			
Let's (3) take it slow			
Just a kiss on your lips in the moonlight			
Just a touch of the fire burning so bright			
I don't want to mess this thing up			
I don't want to push too far			
Just a shot in the dark that you just might			
be the one I've been waiting for my whole life			
So baby I'm alright with just a kiss goodnight			
I know that if we give this a little time			
it'll only bring us closer to the love we wanna find			
It's never felt so real			
No it's (4) felt so right			
Just a kiss on your lips in the moonlight			

Just a touch of the fire b	urning so bright		
I don't want to (5)	this (6)	up
