I took advantage of a golden opportunity

## Fill in the gaps

#### You Don't Say Us Anymore by Robin Gibb

Giving you an ultimatum	But you don't see me (13) (no you don't)
Try to (1) out why you	I stand alone (no you don't)
Act the way you do ,avoiding me	Your head is full of illusions
And trying to keep (2) distance	Your heart is stone
Saw your (3) in a photograph	(You don't say us , you don't say us )
Couldn't cry so I had to laugh	Soon , when the night is young
And the jealousy (4) I felt inside	I'll be old and gone
Gave way to (5) frustration	All (14) I'm down
And you don't fool me with your sexy innuendos	(You don't say us , you don't say us )
And all the secrets you hide	(break)
You find adventure when your sleeping	And you don't (15) me with your sexy innuendos
in a brave new world	And all the secrets you hide
But you don't see me anymore (no you don't)	You find (16) (17) your
I (6) alone (no you don't)	sleeping in a brave new world
Your (7) is (8) of illusions	But you don't see me anymore (no you don't)
Your heart is stone	I stand alone (no you don't)
But you don't say us anymore (no you don't)	Your head is full of illusions
And the light is (9) (no you don't)	Your heart is stone
No you don't say us (10), anymore	(You don't say us , you don't say us )
(You don't say us , you don't say us)	Come , (18) me like before
Like the devil in the deep blue sea	Do the (19) you need to do
Gotta have you and must be free	What I asked before
And all you do is (11) me	(You don't say us , you don't say us )
and question what I stand for	But you don't see me anymore (no you don't)
I'm a victim of circumstance	I (20) alone (no you don't)
Just like in modern romance	Your head is full of illusions
And in my situation we go	Your (21) is stone
straight to a (12) room	(You don't say us , you don't say us )
And we take our chances	Come , (22) me like before
And when I met you ,	Do the (23) you used to do
you were standin' in the moonlight	What I asked before
And your defences were down
