

Fill in the gaps

She lived like she knew nothing lasts	Be like you
Didn't (1) to look lika anyone else	Just like you
And she was beautiful, so beautiful	And when I go to sleep at night
I still hear her (2) like she's here	I'll thank you for each blessed thing surrounding me
Shower it down on all the young	For every fall I'll ever break
It isn't so wrong to have such fun	Each moment's breath I wanna taste
Forever angel	Confidence and conscience
I hope they (3) you (4) we do	Decadent extravagance
Forever angel	Never ending providence
I'll be proud to be like you	For loving when I had the chance
Be like you	Angel
(I'll be proud to be like you)	I (8) they love you like we do
Does the sun shine up at you (5) you're	Forever angel
(6) down	I'll be proud to be like you
Do you get along with the others around	Forever angel
It's got to be better than before	I'll be proud to be (9) you
You don't need to (7) now you're gone	Be (10) you
Forever angel	I'll be proud to be like you
I hope they love you like we do	
Forever angel	
I'll be proud to be like you
