## Fill in the gaps

| Like anyone would be         |            |                     |           |        |
|------------------------------|------------|---------------------|-----------|--------|
| I am (1)                     | by (2)     | fascination with me |           |        |
| Like any hot (3)             | woman      |                     |           |        |
| I (4) simply (5)             | an o       | object to crave     |           |        |
| But you're not allowed       |            |                     |           |        |
| You're uninvited             |            |                     |           |        |
| An (6)                       | slight     |                     |           |        |
| Must be (7)                  | exciting   |                     |           |        |
| To (8) the stoic squirm      |            |                     |           |        |
| Must be (9)                  | heartening |                     |           |        |
| To watch shepherd need sheph | erd        |                     |           |        |
| But you're not allowed       |            |                     |           |        |
| You're uninvited             |            |                     |           |        |
| An (10)                      | slight     |                     |           |        |
| Like any (11)                | territory  |                     |           |        |
| I must (12) (13)             |            | intriguing          |           |        |
| You speak of my love like    |            |                     |           |        |
| You (14) (15)                |            | (16)                | like (17) | before |
| But this is not allowed      |            |                     |           |        |
| You're uninvited             |            |                     |           |        |
| An (18)                      | slight     |                     |           |        |
| I don't (19) you unworthy    |            |                     |           |        |
