Living In Another World by Talk Talk

Better parted	I can't help myself
I see people crying	When I see tenderness before you left (Forget)
Truth gets harder	That (5) breaking up was never meant (Forget)
There's no sense in lying	But only angels look (6) they tread (Forget
Help me	(living in (7) world to you)
Find a way from this maze	(living in (8) world to you)
I can't help myself	(living in (9) world to you)
When I see tenderness (1) you left (Forget)	(Instrumental)
That even breaking up was never meant (Forget)	Help me
But (2) angels look (3) they tread	Find a way from this maze
(Forget)	I'm living in another world to you
(living in another world to you)	and I can't help myself
(living in another world to you)	Did I see tenderness where you saw hell? (Forget)
(living in another world to you)	Did I see angels in the hand I held? (Forget)
Better parted	God only knows what kind of tale you'd tell (Forget)
I see people hiding	(living in another world to you)
Speech gets harder	(living in another world to you)
There's no sense in writing	(living in (10) world to you)
