Fill in the gaps

Oh, sometimes I get a good feeling, yeah	Get a feeling that I never never never had before, no no
Get a feeling that I never never never had before, no no	I get a good feeling, yeah
I get a good feeling, yeah	Oh, sometimes I get a good feeling, yeah
Oh, sometimes I get a good feeling, yeah	Get a feeling that I never never never had before, no no
Get a feeling that I never never never had before, no no	I get a good feeling, yeah
I get a good feeling, yeah	The mountain top, walk on water
Yes I can, doubt to believe what I know what's his plan	I got power, feel so royal
Pull me, (1) me, (2) till the bucket can't	One second, I'ma strike oil
have me	Diamond, platinum, no more for you
I'll be the president one day	Gotta drill a land, never giving in
January first, oh, you like that gossip	Giving up's not an option and gotta get it in
Like you the one drinking that god sip dot com	Witness I got the heart of 20 men
Now I gotta (3) with (4) tone	No fear go to sleep in the lion's den
How many rolling (5) you want	That flow, that funk that crown
Yeah I got a brand new spirit,	You (7) at the (8) of the
Speak it and it's done	(9) now
Woke up on the (6) of the bed like I won	Stronger than ever can't hold me down
Top like a winner	A hundred miles going till them bitches smile
G5 dealer, U.S to Taiwan	Straight game face, it's game day
Now who can say that, I wanna play back	See me wanna do the (10) from may lay?
Mama knew I was a needle in a hay stack	No trick plays, I'm Bill Gates, take a genius to understand me
A bugatti boy, plus maybach	Oh, sometimes I get a good feeling, yeah
I got a feeling it's around asap	
Oh, sometimes I get a good feeling, yeah
