

Fill in the gaps

Oh yeah, Oh yeah!	Girl you really got me bad, you really got me bad
So scared of breaking it, but you won't let it bend	I'm gonna get you back, gonna get you back
And I wrote two (1) letters, I won't ever	Say your faith is shaken you may be mistaken
send	You keep me wide awake and (5) for the
Somehow it is cut so much deeper then they seem	sun
You'd (2) cover up I'd rather let (3)	I'm desperate and (6) so far away from
be	you
So let me be and I'll set you free	I'm getting (7) don't care where I have to go
I am in misery, there ain't no other	Why do you do what you do to me, yeah
Who can comfort me	Why won't you answer me, answer me yeah
Why won't you answer me?	Why do you do what you do to me yeah
Your silence is slowly killing me	Why won't you (8) me, answer me yeah
Girl you really got me bad, you really got me bad	I am in misery, there ain't no other
I'm gonna get you back, gonna get you back	Who can comfort me
Your salty skin and how it mixes in with mine	Why won't you answer me?
The way it feels to be completely intertwined	Your silence is slowly killing me
It's not that I didn't care, It's that I didn't know	Girl you really got me bad, you (9) got me bad
It's not what I didn't feel, It's what I didn't show	I'm gonna get you back, gonna get you back
So let me be and I'll set you free	Girl you really got me bad, you really got me bad
I am in misery, (4) ain't no other	I'm gonna get you back, gonna get you back
Who can comfort me	
Why won't you answer me?	
Your silence is slowly killing me
