

Fill in the gaps

If there's anything you need	I want you for the rest of my life
All you have to do is say	Together forever and never to part
You know you satisfy everything in me	Together forever we two
We shouldn't waste a single day	And don?t you know
So don't stop me falling	I would (9) heaven and earth
It's destiny calling	To be together (10) (11) you
A power I just can't deny	So don't stop me falling
It's (1) changing	It's destiny calling
Can't you hear me I'm saying	A power I just can't deny
I (2) you for the rest of my life	It's never changing
Together (3) and (4) to part	Can't you (12) me I'm saying
Together forever we two	I want you for the rest of my life
And don?t you know	Together (13) and (14) to part
I would move heaven and earth	Together (15) we two
To be together forever with you	And don?t you know
If they ever get you down	I would (16) heaven and earth
There's (5) something I can do	To be (17) (18) with
Because I wouldn't ever wanna see you frown	you
I'll (6) do what's best for you	Together (19) and never to part
There ain't no mistaken	Together forever we two
It's (7) love we're making	And don?t you know
Something to last for all time	I (20) move (21) and earth
It's never changing	To be (22) forever with you
Can't you (8) me I'm saying
