

## Fill in the gaps

haven't (1) at all in days
t's (2) so long since we've talked
And I have been here many times
just don't (3) what I'm doing wrong
What can I do to (4) you love me
What can I do to make you care
What can I say to make you feel this
What can I do to get you there
There's only so much I can take
And I just got to let go
And who (5) I (6) feel better, yeah
f I don't try and I don't hope
What can I do to make you love me
What can I do to make you care
What can I say to make you feel this
What can I do to get you there
No (7) waiting, no more, aching

No more fighting, no more, trying...

Maybe there's nothing more to say

And in a funny way I'm calm

Because the power is not mine
I'm just going to let it fly...

What can I do to make you (8)\_\_\_\_\_ me

What can I do to make you care

What can I say to make you feel this

What can I do to get you there

What can I do to make you care

What can I do to make you care

What can I do to get you there

What can I do to get you there

What can I do to get you there

And love me...love me...love me...
