Walk On The Wild Side by Lou Reed

Holly came (1) Miami FLA		Hey babe, take a (6) on the wild side
Hitch-hiked her way across the USA.		I Said hey Joe, take a walk on the wild side
Plucked her (2)	on the way	Sugar Plum Fairy came and hit the streets
Shaved her leg and then he was a she		Lookin' for soul food and a place to eat
She said, hey babe, take a walk on the (3) side,		Went to the Apollo
Said, hey honey, take a walk on the (4) side.		You should have seen him go go go
Candy came from out on the island,		They said, hey Sugar, take a (7) on the wild side
In the backroom she was everybody's darling,		I said, hey honey, take a walk on the (8) side
But she never lost her head		Jackie is just speeding away
Even when she was given head		Thought she was James Dean for a day
She said, hey baby, take a walk on the wild side		Then I guess she had to crash
She said, hey babe, take a walk on the wild side		Valium (9) have helped that dash
And the coloured girls go, doo doo doo, doo		She said, hey babe, take a walk on the wild side
Little Joe never (5) gave it away		I said, hey honey, take a walk on the wild side
Everybody had to pay and pay		And the coloured girls say doo doo doo, doo
A hustle here and a hustle there
