magine me and you, I do	And you and me

t's only right	It had to be
To think about the girl you love	The only one for me is you
And (2) her tight	And you for me
So happy together	So happy together
f I should call you up	{Refrain}
nvest a dime	Me and you
And you say you belong to me	And you and me
And ease my mind	No matter how (8) tossed the dice
magine how the world (3) be	It had to be
So (4) fine	The only one for me is you
So happy together	And you for me
Refrain}	So happy together
can't see me lovin' (5) but you	So (9) together
For all my life	How is the weather
When you're with me	So happy together
