

Fill in the gaps

Imagine me and you, I do	And you and me
I think (1) you day and night	No matter how they tossed the dice
It's (2) right	It had to be
To think (3) the girl you love	The only one for me is you
And hold her tight	And you for me
So happy together	So happy together
lf I should call you up	{Refrain}
Invest a dime	Me and you
And you say you belong to me	And you and me
And (4) my mind	No matter how (6) (7) the dice
Imagine how the world could be	It had to be
So very fine	The only one for me is you
So happy together	And you for me
{Refrain}	So happy together
I can't see me lovin' (5) but you	So happy together
For all my life	How is the weather
When you're with me	So happy together
Baby the skies will be blue	We're (8) together
For all my life	So happy together
Me and you
