

## Fill in the gaps

I never (1) you before,	from the very first day you had my heart
l've (2) (3) (4)	but I got to slow right down
with my eyes on the floor	Slow it down.
And know you're everywhere to me	[ Down down down ]
You're every face that I see, (5) ain't	[ down (17) (18) down ]
(6) (7) enough for me	I (19) I've been
I guess I've been	Running round town
Running (8) town	and leaving my tracks,
and leaving my tracks,	Burning out rubber
Burning out rubber	driving too fast
driving too fast	But I got to slow right down
But I, I've (9) it right down	Back to the moment the very start,
Back to the moment the very start,	from the (20) (21) day you had my
from the very first day you had my heart	heart
but I got to slow right down	but I got to slow (22) down
Slow it down.	Slow it down.
[ Down down (11) ]	I (23) I've been
[ down down down ]	Running (24) town
Wishing, wanting for something more	and leaving my tracks,
Always better than I had before	Burning out rubber
Who knew these dreams would (12) true	driving too fast
And I run the red, won't stop at night	But I got to (25) right down
I don't (13) for traffic lights	Back to the moment the very start,
Things ain't moving quick enough for me	from the very (26) day you had my heart
I (14) I've been	but I, I got to slow right down
Running round town	Slow it down.
and leaving my tracks,	( Down down down )
Burning out rubber	( down down (27) (28) )
driving too fast	
But I got to (15) right down	
Back to the (16) the very start,
