Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of when we were together	But I don't wanna live (3) way, reading into
Like when you said you felt so happy you could die	(4) word you say
Told myself that you were right for me	You said that you could let it go
But felt so lonely in your company	And I wouldn't catch you hung up on somebody that you used
But that was love and it's an ache I still remember	to know
You can get addicted to a certain kind of sadness	But you didn't have to cut me off
Like (1) to the end, always the	Make out like it never happened and that we were nothing
end	And I don't even need your love
So, when we found that we could not make sense	But you treat me like a stranger and that feels so rough
Well, you said that we would still be friends	No, you didn't have to stoop so low
But I'll admit that I was glad (2) it was over	Have your friends collect your (5) and ther
But you didn't have to cut me off	change (6) number
Make out like it never happened and that we were nothing	I guess that I don't need, that though
And I don't even need your love	Now you're just somebody that I used to know
But you treat me like a stranger and that feels so rough	Somebody, I used to know
No, you didn't have to stoop so low	Somebody, now you're just somebody that I used to know
Have your friends collect your records and then change your	Somebody, I used to know
number	Somebody, now you're (7) (8)
I guess that I don't need, that though	(9) I used to know
Now you're just somebody that I used to know	I used to know
Now you're just somebody that I used to know	That I (10) to know
Now you're just somebody that I used to know	I used to know
Now and then I think of all the times you screwed me over	Somebody
But had me believing it was always something that I'd done
