

Fill in the gaps

Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of when we were together	But I don't wanna (18) that way, reading into every
Like when you said you (1) so (2)	word you say
you could die	You (19) that you could let it go
Told (3) that you were right for me	And I wouldn't (20) you (21) up on
But felt so lonely in (4) company	somebody that you used to know
But that was love and it's an ache I still remember	But you didn't (22) to cut me off
You can get addicted to a certain kind of sadness	Make out like it (23) happened and that we were
Like resignation to the end, always the end	nothing
So, (5) we found that we could not make sense	And I don't even (24) your love
Well, you said that we would (6) be friends	But you treat me like a stranger and that feels so rough
But I'll admit that I was (7) (8) it was	No, you didn't have to stoop so low
over	Have (25) friends collect your records and then
But you didn't have to cut me off	(26) your number
Make out like it (9) happened and that we	I guess that I don't need, (27) though
(10) nothing	Now you're just somebody (28) I used to know
And I don't (11) need your love	Somebody, I used to know
But you treat me like a stranger and that (12) so	Somebody, now you're just somebody that I used to know
rough	Somebody, I used to know
No, you didn't have to (13) so low	Somebody, now you're just somebody that I used to know
Have (14) friends collect your records and then	I (29) to know
change your number	That I used to know
I (15) that I don't need, that though	I used to know
Now you're just (16) that I used to know	Somebody
Now you're just somebody that I used to know	
Now you're just somebody that I used to know	
Now and then I think of all the times you screwed me over	
But had me believing it was always	
(17) that I'd done
