Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of (1)_____ we were together
Like when you said you felt so (2)_____ you could die
Told myself that you were (3)_____ for me
But felt so lonely in your company
But that was love and it's an ache I still remember
You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So, when we found that we could not make sense
Well, you said (4)_____ we would still be friends
But I'll admit that I was glad that it was over
But you didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough
No, you didn't have to stoop so low
Have your friends collect your records and then change your
number
I guess that I don't need, that though
Now you're just somebody that I used to know
Now you're (5)_____ somebody (6)_____ I used to
know
Now you're just somebody that I used to know
Now and then I think of all the times you screwed me over
But had me believing it was always something that I'd done

But I don't wanna live that way, reading into every word you
say
You said (7)_____ you could let it go
And I wouldn't catch you hung up on somebody that you used
to know
But you didn't have to cut me off
Make out (8)_____ it never happened and that we were
nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough
No, you didn't have to stoop so low
Have your friends collect your records and then change your
number
I guess that I don't need, that though
Now you're just somebody (9)_____ I used to know
Somebody, I (10)_____ to know
Somebody, now you're just somebody that I used to know
Somebody, I used to know
Somebody, now you're just somebody that I used to know
I used to know
That I used to know
I used to know
Somebody
