Thank You For Loving

For being my eyes

Thank You For Loving Me by Bon Jovi

It's hard for me to say the things	When I couldn't see
I want to say sometimes	For parting my lips
There's no one here but you and me	When I couldn't breathe
And that broken old street light	Thank you for loving me
Lock the doors	You pick me up (5) I fall down
We'll leave the (1) outside	You ring the bell before they count me out
All I've got to give to you	If I was drowning you (6) part the sea
Are these five words when I	And risk your own life to rescue me
Thank you for loving me	Lock the doors
For being my eyes	We'll leave the (7) outside
When I couldn't see	All I've got to give to you
For (2) my lips	Are (8) five words when I
When I couldn't breathe	Thank you for loving me
Thank you for loving me	For being my eyes
Thank you for loving me	When I couldn't see
I never knew I had a dream	You parted my lips
Until that dream was you	When I couldn't breathe
When I (3) into your eyes	Thank you for (9) me
The sky's a different blue	When I couldn't fly
Cross my heart	Oh, you gave me wings
I (4) no disguise	You (10) my lips
If I tried, you'd make believe	When I couldn't breathe
That you believed my lies	Thank you for loving me
Thank you for loving me
