

## Fill in the gaps

Written by: Neil Diamond
I thought love was (1) true in (2) tales
Meant for someone else but not for me
Love was out to get me
That's the way it seemed
Disappointment (3) all my dreams
Then I saw her face
Now I'm a believer
Not a (4) of (5) in my mind
I'm in love
I'm a believer
I coundn't (6) her if I tried
I coundn't (6) her if I tried  I (7) was more or less a given / givin' thing
I (7) (8) was more or less a given / givin' thing
I (7) was more or less a given / givin' thing  Seems the more I gave the less I got
I (7) was more or less a given / givin' thing  Seems the more I gave the less I got  What's the use in trying
I (7) (8) was more or less a given / givin' thing Seems the more I gave the less I got What's the use in trying All you get is pain
I (7) (8) was more or less a given / givin' thing  Seems the more I gave the less I got  What's the use in trying  All you get is pain  When I needed sunshine I got rain
I (7) (8) was more or less a given / givin' thing  Seems the more I gave the less I got  What's the use in trying  All you get is pain  When I needed sunshine I got rain  Then I saw her face
I (7) (8) was more or less a given / givin' thing Seems the more I gave the less I got What's the use in trying All you get is pain When I needed sunshine I got rain Then I saw her face Now I'm a believer
