

Fill in the gaps

A vacation in the foreign land	On on you're in the (10) now
Uncle Sam does the best he can	Shots ring out in the (11) of night
You're in the army now	The sergeant calls: "Stand up and fight!"
Oh oh you're in the army now	You're in the army now
Now you remember (1) the (2) man	Oh oh you're in the army now
said	You've got your orders (12) to (13)
Nothing to do all day but stay in bed	on sight
You're in the army now	Your finger's on the trigger but it don't seem right
Oh oh you're in the (3) now	You're in the army now
You'll be a (4) of the neighbourhood	Oh oh you're in the (14) now
Nobody knows that you (5) for good	You're in the (15) now
You're in the army now	Oh oh you're in the army now
Oh oh you're in the army now	Night is falling and you just can't see
Smiling faces as you wait to land	Is this (16) or reality
But once you get there no one gives a damn	You're in the army now
You're in the army now	Oh oh you're in the army, in the army now
Oh oh you're in the army now	You're in the army now
Hand (6) flying over (7) head	Oh oh you're in the army now
Missiles flyin' (8) (9) head	Oh oh you're in the army, in the (17) now
If you wanna survive get out of bed	
You're in the army now
